

# IMMERSIA XR

## KS2 EDUCATIONAL PACKAGES

Bringing stories, history and exploration to life at  
Immersia XR (London)

# WHAT IS IMMERSIA XR ?

## The UK's first XR Walking Theatre

- Guided immersive walking experiences
- 30-minute structured sessions
- Groups of up to 24 pupils per wave
- Delivered in a supervised environment
- Located @ London Waterloo (SE1 7LY)

We've already welcomed thousands of school children to our venue to step into a story...

Structured, relevant and exciting immersive learning.

# HOW OUR XR STORYTELLING SUPPORTS THE KS2 CURRICULUM

Bring your class on an unforgettable learning adventure at Immersia XR.

## English

- Stimulus for descriptive writing
- Diary entries and first-person narrative
- Character perspective and setting description
- Vocabulary development through immersive context

## STEM

- Space and Earth (Year 5 curriculum links)
- Forces and gravity (Moon Landing)
- Rocks, Earth structure and natural processes (Journey to the Centre of the Earth)
- Light and perception (how we see and interpret environments)

## History

- Study of significant events and achievements beyond living memory
- Understanding chronological context and historical impact
- Exploring technological advancements

## Geography

- Understanding physical environments (oceans, underground worlds, space)
- Human interaction with extreme environments
- Comparing Earth's features and natural processes

# KS2 LEARNING EXPERIENCES WE OFFER:

## JOURNEY TO THE CENTRE OF THE EARTH

**Supports Geography (physical features) and Science (rocks and Earth structure).**

**Encourages understanding of:**

- Layers of the Earth
- Volcanic and geological processes
- Extreme natural environments

**Post-visit task:**

**Explain how the Earth is structured using labelled diagrams.**

## ALICE IN WONDERLAND

**Supports English (narrative and creative writing).**

**Pupils explore immersive storytelling environments, supporting:**

- Character perspective writing
- Descriptive language
- Figurative language development

**Post-visit task:**

**Rewrite a scene from a different character's perspective.**

# KS2 LEARNING EXPERIENCES WE OFFER:

**MOON LANDING**

**Supports Year 5 Science (Earth and Space) and History topics.**

**Pupils experience the lunar surface environment, prompting discussion around:**

- Gravity and space exploration
- The significance of Apollo 11
- How technology enabled human achievement

**Post-visit writing stimulus:**

**Diary entry from the perspective of an astronaut.**

**20,000 LEAGUES UNDER THE SEA**

**Links to Geography and Science (oceans, habitats, exploration).**

**Pupils explore underwater environments, encouraging discussion about:**

- Marine ecosystems
- Human exploration of extreme environments
- Conservation and ocean life

**Post-visit task:**

**Writing a report about a discovered sea creature.**

# KS2 LEARNING EXPERIENCES WE OFFER:

**TALES OF ALADDIN**

**Supports KS2 English and Geography.**

**Pupils step into a richly designed environment inspired by traditional storytelling and Middle Eastern settings.**

**The experience encourages discussion around:**

- **Cultural storytelling traditions**
- **Trade, travel and historical exchange**
- **Comparing environments and architecture**

**Post-visit discussion stimulus:**

**How do stories reflect the culture they come from?**

**ETERNAL GLORY OF THE TANG DYNASTY**

**Supports KS2 History and Geography.**

**Pupils explore an immersive reconstruction of the Tang Dynasty, one of history's most influential periods.**

**The experience supports learning about:**

- **Early world civilisations beyond Europe**
- **Trade and cultural exchange (Silk Road links)**
- **Comparing ancient societies**

**Post-visit writing stimulus:**

**Write a diary entry from the perspective of a traveller along the Silk Road.**

# **THE EDUCATIONAL VALUE OF IMMERSIVE LEARNING**

**Our XR Walking Theatre format supports:**

- **Contextual understanding of historical and geographical settings**
- **Experiential reinforcement of curriculum themes**
- **Development of empathy and perspective-taking**
- **Stimulus for extended writing and reflection**

**By placing pupils inside structured narrative environments, immersive experiences provide a powerful foundation for:**

- **Descriptive writing**
- **Historical interpretation**
- **Geographical reasoning**
- **Classroom discussion and critical thinking**

**Immersion XR sessions are designed to complement, not replace, classroom teaching.**

# OUR SCHOOL & EDUCATIONAL GROUP PACKAGE

**Bring your class on an unforgettable learning adventure at Immersia XR.**

We can host up to 24 children every 30 minutes.

For two stories, we book two consecutive slots so your group enjoys both experiences.

Larger groups can join in 2–3 waves back-to-back (up to 72 children over 90 minutes).

**HAF Group Pricing (Weekdays 11:00–17:00):**

- ✓ **Two-story bundle: £18 per child (inc. VAT)**
- ✓ **Single story: £12 per child (inc. VAT)**
- ✓ **Adults/carers: 1 free adult per 6 children (rounded up); essential carers free; extra adults £10**

**Minimum booking: 18 paid places per wave  
(£324 two-story / £216 single-story)**

**We can accommodate around 36 children + 6 adults per hour.**

# HOW TO BOOK

1. Email hello@immersiaxr.com with your preferred date and group size.
2. We'll confirm availability and help customise your package.
3. A 20% deposit secures your booking (remaining balance due 7 days before the event).
