

IMMERSIA XR

KS3 EDUCATIONAL PACKAGES

KS3 Humanities & Curriculum Enrichment
Immersive contextual learning at Immersia XR (London)

WHAT IS IMMERSIA XR ?

The UK's first XR Walking Theatre

- Guided immersive walking experiences
- 30-minute structured sessions
- Groups of up to 24 pupils per wave
- Delivered in a supervised environment
- Located @ London Waterloo (SE1 7LY)

We've already welcomed thousands of school students to our venue to step into a story...

Designed to deepen contextual understanding across History, Geography and Humanities subjects.

HOW OUR XR STORYTELLING SUPPORTS THE KS3 CURRICULUM

Bring your class on an unforgettable learning adventure at Immersia XR.

English

- Stimulus for descriptive writing
- Diary entries and first-person narrative
- Character perspective and setting description
- Vocabulary development through immersive context

Computing & Digital Technology

- Introduction to immersive technology (XR/VR)
- Real-time digital environments
- How interactive experiences are designed and built
- Career pathways in creative and technical industries

History

- Understanding historical context and significance
- Exploring non-European civilisations
- Examining technological advancement and global impact

Geography

- Understanding physical environments (oceans, underground worlds, space)
- Human interaction with extreme environments
- Comparing Earth's features and natural processes

KS3 LEARNING EXPERIENCES WE OFFER:

JOURNEY TO THE CENTRE OF THE EARTH

Supports Physical Geography.

Students explore immersive environments illustrating:

- Earth's structure
- Geological processes
- Scale and extreme natural environments

Post-visit task:

Explain how understanding geological processes helps predict natural hazards.

ETERNAL GLORY OF THE TANG DYNASTY

Supports History and Global Studies.

Students explore one of the world's most influential civilisations, supporting learning about:

- The Silk Road and international trade networks
- Cultural diffusion and exchange
- Governance, art and societal structure
- Comparing non-European and European civilisations

Post-visit task:

Compare the Tang Dynasty to a civilisation studied in class.

KS3 LEARNING EXPERIENCES WE OFFER:

MOON LANDING

Supports History and Science.

Students explore the lunar environment, prompting discussion around:

- **The Cold War and the Space Race**
- **Technological innovation and national ambition**
- **Risk, achievement and global impact**

Post-visit analytical task:

Evaluate the significance of the Moon Landing in global history.

20,000 LEAGUES UNDER THE SEA

Supports Geography and environmental studies.

Students consider:

- **Marine ecosystems and biodiversity**
- **Human exploration of extreme environments**
- **Environmental impact and sustainability**

Post-visit discussion:

Does technological progress always benefit humanity?

THE EDUCATIONAL VALUE OF IMMERSIVE LEARNING

Our XR Walking Theatre format supports:

- Contextual understanding of historical and geographical settings
- Experiential reinforcement of curriculum themes
- Development of empathy and perspective-taking
- Stimulus for extended writing and reflection

By placing pupils inside structured narrative environments, immersive experiences provide a powerful foundation for:

- Descriptive writing
- Historical interpretation
- Geographical reasoning
- Classroom discussion and critical thinking

Immersion XR sessions are designed to complement, not replace, classroom teaching.

OUR SCHOOL & EDUCATIONAL GROUP PACKAGE

Bring your class on an unforgettable learning adventure at Immersia XR.

We can host up to 24 children every 30 minutes.

For two stories, we book two consecutive slots so your group enjoys both experiences.

Larger groups can join in 2–3 waves back-to-back (up to 72 children over 90 minutes).

HAF Group Pricing (Weekdays 11:00–17:00):

- ✓ **Two-story bundle: £18 per child (inc. VAT)**
- ✓ **Single story: £12 per child (inc. VAT)**
- ✓ **Adults/carers: 1 free adult per 6 children (rounded up); essential carers free; extra adults £10**

**Minimum booking: 18 paid places per wave
(£324 two-story / £216 single-story)**

We can accommodate around 36 children + 6 adults per hour.

HOW TO BOOK

1. Email hello@immersiaxr.com with your preferred date and group size.
2. We'll confirm availability and help customise your package.
3. A 20% deposit secures your booking (remaining balance due 7 days before the event).
